

Practical Information

Airport Transportation:

Meeting Micro-bus: will be available in front of the Airport door (terminal 3 where 90% of flights arrive), at **9:00 and 12:00**, on Sunday, July 3rd.

2) There is public airport bus service, in particular for those who stay near Av. Paulista (Hotel Landmark, Melia, Quality Bela Cintra), take direction Av. Paulista (via Republica). See <http://www.airportbusservice.com.br/br/linhas> (cost R\$ 50,00).

3) Taxi is also recommended (cost R\$ 150,00). The official airport company is found at the exit of the airport door. It can be paid in cash, or if with credit card there is a guichet located just in front of the taxis in the sidewalk.

Meeting address: The meeting is held at the Instituto de Astronomia, Geofísica e Ciências Atmosféricas, of the Universidade de São Paulo (IAG-USP). The address is:

Rua do Matão, 1226
Cidade Universitária
São Paulo 05508-090

Transportation

Transportation from hotel to meeting will be available, at 8:00-8:15 every morning, at the addresses:

1) Hotel Landmark, Al. Jaú, 1607

Those in hotels (Meliá, Quality Bela Cintra, Mercure Paulista) nearby please go there.

2) Hotel Golden Tower, R. Dep. Lacerda Franco, 148 - Pinheiros

Those at Opera Hotel, one block away, should also go there. The area does not allow parking, therefore probably the driver will pay for a slot on the street in front of the hotel.

3) Ibis Style São Paulo Faria Lima, Rua Tavares Cabral, 61 - Pinheiros

Those at the Quality Faria Lima are half a block away.

4) Taxis are also possible, and cheap

5) Brazilian students can easily take the metro and bus, since there will be no vans for everyone.

6) Metro/Bus:

Take subway at the Paulista station on line 4/Yellow and go down to Butantan station.

At the station you'll take the USP Circular bus and get off at IAG.

Other indications on how to arrive to IAG, including bus lines are given in:

<http://www.iag.usp.br/como-chegar>

Size of posters: 1m height, 90cm width

Temperature

It is the winter season, and temperatures tend to be in the range 10-25 °C.

Welcome to IAG! Bem-vindo ao IAG!

These are essential information to help you get around the USP campus.
