

**Informal Workshop on Cosmology and Astrophysics  
(October 16-17, 2017)**

| 10/16/2017 |   |                               |
|------------|---|-------------------------------|
| Monday     |   |                               |
| 11:00      | Rafael Batista (colloquium style) - Oxford U. | IFT Auditorium - 4th floor    |
| 12:30      | LUNCH   |                               |
| 14:00      | Guido D'Amico (colloquium style) - CERN       | IFT Auditorium - 4th floor    |
| 15:30      | Coffee break                                  | mezanino                      |
| 16:00      | Rogério Rosenfeld - ICTP-SAIFR/IFT-UNESP      | IFT Auditorium - 4th floor    |
| 16:30      | Marcos Lima - IF-USP                          | IFT Auditorium - 4th floor    |
| 17:00      | Raul Abramo - IF-USP                          | IFT Auditorium - 4th floor    |
| 10/17/2017 |   |                               |
| Tuesday    |   |                               |
| 11:00      | Guido D'Amico (blackboard style) - CERN       | room 3 - 3rd floor            |
| 12:30      | LUNCH   |                               |
| 14:00      | Rafael Batista (blackboard style) - Oxford U. | room 2 - 3rd floor            |
| 15:30      | Coffee break                                  | mezanino                      |
| 16:00      | Rodrigo Nemmen - IAG/USP                      | NCC Auditorium - ground floor |
| 16:30      | Antonino Troja - ICTP-SAIFR                   | NCC Auditorium - ground floor |
| 17:00      | Paolo Creminelli - ICTP Trieste               | NCC Auditorium - ground floor |
