

Dark Matter Flash-School – Nov. 19, 2018

09:30	F. Iocco: <i>"Evidence and properties of DM from astrophysics. Empirical observations"</i> .
11:00	R. Abramo, A. Fattahi: <i>"DM and its role in Cosmology: from density perturbations to the formation of galaxies"</i> .
14:30	E. Bertuzzo: <i>"Possibilities for DM candidates: building beyond the Standard Model"</i> .
16:30	F. Iocco: <i>"The search of specific candidates: an introduction to direct and indirect WIMP DM searches"</i> .
