Print the Subway map [here](#)

1) From Estação Paulista take the yellow line towards **LUZ**;

2) Get off at **Republica** (which is the next stop);

3) From Metro Republica go to the red line towards Metro **Palmeiras Barra Funda**, which is the final stop.

Follow the signs to the exit which is called Av. Marques de Sao Vicente. After passing through the turnstiles, turn left and walk until the end of the station. At the end of the station, go down the stairs and you will see immediately a large white and blue building across the street in front of you. The white and blue building is the Instituto de Artes, and next to it is a large white and **green building** which is the Instituto de Fisica Teorica. Enter in the gate between the two buildings and from the green building go to the 4th floor.
