

## Ground transportation from The Universe Flat to the institute

The whole journey takes around 30 minutes

There is a subway station close to the hotel called "Trianon-Masp". Please see below the instructions:

- 1) Walk from The Universe Flat to Metro Trianon-Masp

[Click here to print out the full version of the subway map of São Paulo](#)

- 2) From Trianon-Masp take the green line (linha verde or linha 2) towards **Vila Madalena**
- 3) Get off at **Consolação** which is just one station after Trianon-Masp.
- 4) As you get off at **Consolação**, you will see a tunnel which leads you to the "Paulista" station on the yellow line (linha amarela or linha 4). Walk until the end of this tunnel. When the tunnel ends, you will be at the "Paulista" station.
- 5) From **Paulista** take the yellow line (linha amarela or linha 4) towards **Luz**;
- 6) Get off at **Republica** which is the next stop;

7) From **Republica** station, take the escalator to the red line (linha vermelha or linha 3) towards **Palmeiras Barra Funda**, which is the final stop. Get off at the final stop and follow the signs to the exit which is called Av. Marques de Sao Vicente. After passing through the turnstiles, turn left and walk until the end of the station. At the end of the station, go down the stairs and you will see immediately a large white and blue building across the street in front of you. The white and blue building is the Instituto de Artes, and next to it is a large white and **green building** which is the Instituto de Fisica Teorica. Enter in the gate between the two buildings and go to the 4<sup>th</sup> floor in the white and green building. The ICTP-SAIFR office is the first office of the corridor.
